## Glen Canyon Special Service District of Big Water

Monday June 17, 2017

Meeting 7:00 PM UT (6:00 pm AZ)

## Glen Canyon Special Service District of Big Water

After years of hard work by many people, the Town of Big Water now controls the water system. Big Water town created the new local service district in order to control the system and keep the tax to run the system on all the lots. The elected town council will now serve as the governing board for the district. The special service district in an independent entity, this entails separate bank accounts and card processing machines. You can now make checks payable to Glen Canyon Special Service District of Big Water or GCSSDBW. The fee for garbage service only appears on the same bill to keep the billing process simple. Projects to update and fix the water system will start in July. Water rates will remain as they are. We hope that the transition will be a smooth one. If you have any questions please call Jenni at town hall and she will be happy to answer.

## FIREWORKS!!

Due to the increased fire risk this year fireworks will only be allowed at the baseball field north of town on July 4<sup>th</sup> only!

## 2017 Candidates
