RV Ordinance

Adopt a Road

In an effort to control weeds, Town Council would like to present the Adopt a Road program. Friends and neighbors can come to town hall to let Jenni know what street they would like to adopt. We will take before and after pictures and the people involved will be recognized in the monthly newsletter. Mayor Schmuker will have a place to put all weeds and debris.

Fall Clean Up!!

Dumpsters will be delivered on October 12th and remain in place for two weeks. Please remember NO appliances, paint, tires, or harmful chemicals in the dumpsters.

WEBSITE

We are in the process of updating our website. The new URL will be bigwater.town

Sorry for any inconvenience while we work on the changes.

Most Improved Property

Town Council would like to recognize Buddy and Marilyn Brees for the work they have done to their property.
